**Test Products International Europe Ltd (TPI Europe)** offers a 'Three Year Limited Warranty' on instruments except intrinsically safe models which have a 'One Year Limited Warranty'.

TPI Europe's obligation is limited to repair or replacement of the product, at TPI Europe's option.

TPI products are warranted to the purchaser against defects in material and workmanship, subject to these products also undergoing annual calibration checks, where applicable.

The warranty period begins from the date of shipment from TPI Europe.

**Covered by Warranty:**

Repair parts and labour costs, or replacement of the product at TPI Europe's option.

Normal transportation charges back to the purchaser.

**Not covered by Warranty:**

Damages to the product which are the result of abuse, improper use, or lack of regular maintenance, including annual calibration checks, are not covered.

Calibration, wear from normal use, and consumable items like batteries, fuses, and test leads are not covered.

Any other expense, consequential damages, incidental damages, or incidental expenses including damages to property are not covered.

Transportation expenses to TPI Europe are not covered.
